

CURRICULUM VITAE

Tanya K. Meyer, M.D.

University of Washington Medical Center
Otolaryngology - Head and Neck Surgery
1959 NE Pacific Street, Box 356515
Seattle, WA 98195-6515
meyertk@uw.edu
Phone: 206-543-5662
Fax: 206-543-5152

Personal Data

Born: January 26, 1970
Los Angeles, CA

Predoctoral Education

University of California, Los Angeles Los Angeles, CA Bachelor of Science in Biochemistry, magna cum laude	1988-1992
University of California, San Diego San Diego, CA Doctor of Medicine	1992-1996

Postdoctoral Education

University of Rochester Rochester, NY General Surgery Intern & Resident	1996-1998
University of North Carolina Lineberger Comprehensive Cancer Center Chapel Hill, NC Oncology Research Fellow	1998-2000
Medical College of Wisconsin Milwaukee, WI Residency in Otolaryngology-Head and Neck Surgery	2000-2004
New York Center for Voice and Swallowing Disorders New York, New York Laryngology Fellow with Andrew Blitzer, MD, DDS	2004-2005

Faculty Appointment

Assistant Professor Director of Voice and Swallowing Disorders Otolaryngology-Head and Neck Surgery University of Maryland, Baltimore, MD	2005-2009
Assistant Professor Associate Professor Otolaryngology-Head and Neck Surgery University of Washington, Seattle, WA	2009-June 2014 July 2014 - present

Hospital Appointments

Attending Surgeon:

St. Luke's Hospital, New York, NY	2004-2005
Roosevelt Hospital, New York, NY	2004-2005
University of Maryland Medical Center, Baltimore, MD	2005-2009
University of Maryland Shock Trauma Center, Baltimore, MD	2005-2009
Kernan Hospital, Baltimore, MD	2007-2009
University of Washington Medical Center, Seattle, WA	2009-present
Harborview Medical Center, Seattle, WA	2009-present
VA Medical Center, Seattle, WA	2009-present

Awards and Honors

Regents Scholar, Alumni Scholar (UC, Los Angeles)	1988
Magna Cum Laude, Phi Beta Kappa (UC, Los Angeles)	1992
Graduating Honors, Biochemistry (UC, Los Angeles)	1992
Hamburger Award for Outstanding Original Research (UC, San Diego)	1996
Magna Cum Laude Award - Scientific Exhibit (Denver)	2001
Lee G. Eby Resident Paper Award - 1 st Place (MCW)	2002
Toohill Resident Research Award - 1 st Place (MCW)	2002
Lee G. Eby Resident Paper Award - Honorable Mention (MCW)	2003
Toohill Resident Research Award - 1 st Place (MCW)	2003
AAO-HNS Travel Award	2003
Triological Society Section Travel Award	2004
MCW Cancer Center Paper Competition - 1st Place (MCW)	2004
Resident Teaching Award (MCW)	2004
Faculty Teaching Award (UM)	2009
Laryngology 2012 Best Oral Presentation – Tracheal Engineering	2012
AAO-HNSF Honor Award	2012
Honorable Mention for Triologic Thesis	2012
National Spasmodic Dysphonia Association Travel Award	2014

Board Certification

American Board of Otolaryngology	April 15, 2005
----------------------------------	----------------

Licensure

Washington	2009-present
------------	--------------

Professional Organizations

American Academy of Otolaryngology-Head and Neck Surgery	2000-present
American Academy of Facial Plastic and Reconstructive Surgery	2001-2004
American Rhinological Society	2001-2004
Blitzer Society	2004-present
Maryland Society of Otolaryngology	2005-2009
American Broncho-Esophagology Association	2007-present
American Laryngological Association – Post Graduate Section	2007-2014
Northwest Academy of Otolaryngology	2009-present
Triological Society – Active Fellowship 2013	2010 – present
Dysphagia Research Society	2011 – present
American Laryngological Society	2014-present

Teaching Responsibilities

Director of Otolaryngology Third and Fourth Year Surgery Clerkships University of Maryland, School of Medicine	7/2007 to 6/2009
---	------------------

Director of Resident Laser Surgery Course University of Maryland, School of Medicine Department Otolaryngology	November 14, 2008
Director of Resident Sinus Surgery Cadaver Lab and Lecture Series University of Maryland, School of Medicine Department Otolaryngology	May 10, 2009
Laryngology Resident Lecture Series University of Washington, School of Medicine	Winter 2010 Winter 2012 Winter 2014
Dysphagia Interest Group Founded with Sara Shepp, MD and Deanna Britton, PhD, CCC-SLP Quarterly Journal Club	July 2012- present
Doctoral Supervisory Committee Member Derek Isetti- PhD	May 16, 2013

Invited Reviewer

Laryngoscope
Annals of Otolaryngology, Rhinology, Laryngology
Journal of Otolaryngology, Head & Neck Surgery
Dysphagia

Special National Responsibilities

Instruction Course Advisory Committee, AAO-HNS	2005-2008
Airway & Swallowing Committee, AAO-HNS ALA Representative	2010 -2013
Post-Graduate American Laryngological Association (ALA) Membership Committee, Chairman in 2013 – 2014 Active Advisor to Membership Committee 2014 - 2015	2010 -present
American Broncho-Esophagological Association (COSM), Las Vegas, NV. Moderator for ABEA Scientific Session on Airway Stenosis. Poster Judging Committee at the Annual 2010 ABEA Scientific Program Invited Panelist “Great Debates in Laryngology – Laryngopharyngeal Reflux”	2010
American Laryngological Association (COSM), Chicago, IL Invited Panelist “New Developments in Laryngology”	2011
Dysphagia Research Society, Toronto, Canada Abstract Judging Committee Poster Award Judging Committee	2012
Dysphagia Research Society, Seattle, WA Invited Panelist “Tissue Engineering”	2013
American Broncho-Esophagological Association (COSM), Orlando, FL Abstract Judging Committee Planning committee Moderator ABEA Scientific Session – Laryngopharyngeal Reflux	2013

American Laryngological Association (COSM), Orlando, FL Moderator ALA Scientific Session- Neurolaryngology	2013
American Broncho-Esophagological Association (COSM), Las Vegas, NV Planning Committee Program Chair	2014
American Broncho-Esophagological Association (COSM), Planning Committee Councilor-at-Large	2015
Triological Society (COSM) Poster judge Moderator General Session	2015
ALA – Post-Graduate Section Mentor ALA Committee to choose deRhoads awardee	2015
Local/Hospital Responsibilities	
Member, Resuscitation Committee University of Maryland Medical Center	2005-2009
Member, Performance Improvement and Steering Committee University of Maryland Medical Center	2005-2009
Chair, Otolaryngology Resident Clinical Competency Committee University of Washington, Department of Otolaryngology	2013 – 2015
Otolaryngology Resident Applicant Review Committee University of Washington, Department of Otolaryngology	2009 – present
Otolaryngology Program Director University of Washington, Department of Otolaryngology	May 2016 - present
Research - Unfunded	
Studying aerodynamics of varying wing conformations of AFTI-F111 fighters Mission Adaptable Wing Project: MAW (NASA)	1987
Functional Assessment of Belzer cardioplegia solution in the function of preserved piglet hearts.(UC Los Angeles) Hillel Laks, M.D., Professor of Cardiothoracic Surgery	1990
Investigation of the regulation of tailless gene activation via a signal transduction pathway – a homologue of the human proto-oncogenes <i>fos</i> and <i>jun</i> (UC Los Angeles) Judith Lengyel, Ph.D., Professor of Developmental Biology	1992
Axonal pattern formation in the visual system: regulation of growth and target formation of neuros in the optic chiasmata of <i>Drosophila</i> (Albert-Ludwigs Universitat, Freiberg, Germany) Dr. K-F. Fischbach, Professor of Neurobiology	1995

Role of cytokines in the pathogenesis of Otitis Media 2001
 (Medical College of Wisconsin)
 Joseph Kerschner, M.D., Professor of Otolaryngology

Work Productivity in Voice Disorders 2013 - present
 University of Washington

Research – Funded

Current

University of Washington Patient Safety and Quality Executive Committee 05/1/2015 – 12/31/2016
“Innovative Safety Program for Tracheotomy Management”

The purpose of this research is to develop an innovative patient and caregiver educational program that incorporates simulation, directed instruction and web based video to enhance knowledge about and comfort with tracheotomy care and common tracheotomy complications to enhance the safety of patients with tracheotomy appliances.

Role: Co-PI

AAO-HNS: WIO 10/01/2015 – 9/30/2016

Governing Council of the Women in Otolaryngology (WIO) Section

“Work-Life Balance among Women in Academic Otolaryngology”

This project proposes to use a qualitative interview process to explore the career and life-style choices of a set of successful women academic Otolaryngologists. Questions will explore the following themes:

Achieving academic promotion, Balance of scholarly and clinical activity, Balance of career and family choices (work/life integration, Family planning and management and Receiving and providing mentorship.

Role: PI

Research Grant (PI: Atmakuri)

2/1/2016 – 1/31/2017

Source: American Sleep Medicine Foundation

Title: Work Productivity Outcomes in Patients with Obstructive Sleep Apnea Treated with CPAP

The major goal of this project is to investigate the effects of treatment of OSA with CPAP on Work Productivity.

Role: Co-Mentor

Annual Direct Costs: \$18,500

Completed

5T32CA009688 Baldwin (Meyer – Trainee)

1998-2000

NIH/NCI

“Surgical Oncology Research Training Grant”

“Signal Transduction and Oncogenesis: Investigating the role of the tyrosine kinase Rak in the etiology of epithelial related cancers. “

5R01CA120950 Langmore (Meyer –Subcontract PI)

01/14/2011-12/31/2012

NIH/NCI

\$25,770 Direct

“Efficacy of Neuromuscular Electrical Stimulation for Dysphagia in Head & Neck cancer Patients”

The purpose of this research is to determine if the use of electrical stimulation of the cervical musculature (Neuromuscular Electrical Stimulation or NMES) in conjunction with intense

swallowing exercise therapy (STx) has any additional benefit over intense swallowing exercise

therapy alone in the treatment of patients with difficulty swallowing after radiation therapy for head and neck cancer.

5R01DE015322 Dennis (Meyer – Subcontract PI)
NIH/NIDCR

12/01/2011-11/30/2014
\$22,653 Direct

“Tissue Engineering of a Neotrachea”

The purpose of this research is to develop tissue engineering methods to create a trachea from autologous tissues for use in tracheal replacement for patients with irreversible laryngotracheal damage.

28. Hu A, Meyer TK. "Closure of a Tracheoesophageal Fistula – the Reconstructive Ladder" (poster) American Laryngological Society at the Combined Otolaryngology Spring Meeting - COSM. San Diego, CA. April 2012.
29. Bhuskute A, Hu A, Meyer TK. "Botulinum Causing Respiratory Failure as an Indication for Tracheostomy" (poster) Canadian Society of Otolaryngology – Head & Neck Surgery. Toronto, Canada. May 2012
30. Hu A, Isetti D, Waugh P, Hillel A, Meyer TK. "Disease-Specific Self-Efficacy in Spasmodic Dysphonia" (poster) AAO-HNSF 116th Annual Meeting & OTO Expo. Washington DC. September, 2012.
31. Meyer TK, Dennis J. Tissue Engineered Trachea for Airway Reconstruction: Epithelial Lining. (oral) Laryngology 2012. Kuala Lumpur, Malasia. Recipient of Best Oral Presentation Award. June 1-3, 2012.
32. Hu A, Sumida YA, Meyer TK. Do ESL Speakers Experience More Vocal Hyperfunction? (poster) Laryngology 2012. Kuala Lumpur, Malasia. June 1-3, 2012.

33. Hu A, Isetti D, Waugh P, Hillel A, Meyer TK. Disease-Specific Self-Efficacy in Spasmodic Dysphonia. (oral) Fall Voice Conference, New York, NY. October 2012.
34. Allen CT, Lee CJ, Meyer TK, Hillel AD, Merati AL. Risk Stratification in Endoscopic Airway Surgery: Is Inpatient Observation Necessary? (poster) American Laryngological Society at the Combined Otolaryngology Spring Meeting - COSM. Orlando, FL. April 2013.
35. Isetti D and Meyer TK: The ADA and Voice disorders: Exploring Workplace Productivity Issues in Individuals with Spasmodic Dysphonia (oral). American Speech-Language-Hearing Association (ASHA) Annual Meeting 2013. Chicago, IL. November 14-16, 2013.
44. Meyer TK, Hu A, Hillel AD. Voice Disorders in the Workplace: Productivity in Spasmodic Dysphonia and the Impact of Botulinum Toxin (oral). Triological Society Combined Sections Meeting. Honorable Mention for Clinical Research Award. Miami Beach, FL. January 10, 2014.
45. Meyer TK, Hu A, Hillel AD. Work Productivity in Spasmodic Dysphonia (oral). The Fall Voice Conference 2014. San Antonio, Texas. Received the National Spasmodic Dysphonia Association Travel Award. September 25, 2014.
46. Meyer TK, Isetti D. Work Hoarse – Exploring Presenteeism and Work Productivity in Chronic Voice Disorders (poster). The Fall Voice Conference 2014. San Antonio, Texas. September 25, 2014.
47. Mayerhoff RM, Meyer TK, Joseph J, Svider PF, Eloy JA, Merati AL. Readability of Tracheotomy Patient Education Materials (Poster). Triological Combined Sections Meeting. Coronado, CA. January 22-24, 2015.
48. Shen JY, Mills B, Meyer TK, Sardesai MG. Laryngeal Trauma: A Twenty-year Experience from a Level I Trauma Center (poster). Triological Combined Sections Meeting. Coronado, CA. January 22-24, 2015.
49. Gintas P, Krisciunas, Timothy M, McCulloch, Cathy L, Lazarus, Barbara R, Pauloski, Tanya K, Meyer, Darlene Graner, Douglas J, Van Daele, Alice K, Silbergleit, Lisa R, Crujido, Tamar Kotz, Kerlly Castellano, Susan E, Langmore. Impact of Compliance on Dysphagia Rehabilitation in Head and Neck Cancer Patients – Results from a Multi-center Clinical Trial (Oral). Dysphagia Research Society – DRS 2015. Chicago, Illinois. March 11-14, 2015.
50. Mayerhoff RM, Kuo C, Meyer TK. A Novel Approach to the Challenging Injection laryngoplasty (poster). American Broncho-Esophagological Association at the Combined Otolaryngology Spring Meeting – COSM. Boston MA. April 2015
51. Langmore SE, Pisegna J, Krisciunas GP, Meyer TK, Pauloski BR (poster). Is Aspiration or Residue the bigger problem for post-radiated HNC patients? American Head and Neck Society at the Combined Otolaryngology Spring Meeting – COSM. Boston MA. April 2015
52. Hu A, Hillel A, Meyer TK. Factors that Predict Patient Perceived Hoarseness in Spasmodic Dysphonia Patients. American Laryngological Association at the Combined Otolaryngology Spring Meeting - COSM. Boston MA. April 2015
53. Mayerhoff RM, Kuo C, Meyer TK. A Novel Approach to the Challenging Injection laryngoplasty (poster). Fall Voice Conference October 2015

54. Hu A, Hillel A, Meyer TK. Factors the Predict Patient Perceived Hoarseness in Spasmodic Dysphonia Patients. Fall Voice Conference October 2015
55. Valenzuela CV, Newbill CP, Johnston C, Meyer TK. Proliferative laryngitis with airway obstruction in an adult: Consider herpes. Fall Voice Conference October 2015
56. Langmore, SE. Pisegna, J.M., Krisciunas, GP, Meyer, T, Pauloski, B. A Closer Look At Residue in the HNC Population (Poster). Dysphagia Research Society - DRS 2016. Tucson, Arizona. February 25 – 27, 2016.
57. Giliberto JP, Zhu Q, Meyer TK. Development of a Voice Disorder Work Productivity Inventory Utilizing Cognitive Interviewing Techniques (poster). American Laryngological Association at the Combined Otolaryngology Spring Meeting - COSM. Chicago, Il. May 2016
58. Zhu Q, Giliberto JP, Carlson S, Zhai X, Meyer TK. Development of an Instrument to Assess work Productivity in Individuals with Voice Disorders. (oral). American Broncho-Esophagological Association at the Combined Otolaryngology Spring Meeting – COSM. Chicago, Il. May 2016 2015
59. Meyer TK, Pisegna J, Krisciunas GP, Pauloski BR, Langmore SE. Oral and pharyngeal residue influence quality of life and function independently of penetration and aspiration in head and neck cancer survivors. (oral). American Broncho-Esophagological Association at the Combined Otolaryngology Spring Meeting – COSM. Chicago, Il. May 2016 2015
60. Hu A, Hillel A, Meyer TK. Anxiety and Depression in Spasmodic Dysphonia Patients. The Voice Foundation's 45th Annual Symposium: *Care of the Professional Voice*. Philadelphia, PA. June 1 – June 5, 2016

Invited Presentations:

(International)

1. Meyer TK, Fischbach K: IrreC-Rst: Evaluation of deletion constructs with the Gal4-UAS expression system. Albert-Ludwigs Universitat Institutional Presentation. Freiberg, Germany. October 1995.
2. Meyer TK, Smith TL: Contemporary Management of Chronic Frontal Sinusitis. The Korean Otolaryngology Society National Congress. Seoul, Korea. October 2001.
3. Merati A, Meyer TK, Yulitao R: Voice Disorders in the Elderly. Pan European Voice Conference (PEVOC-6). London, England. August 2005.
4. Meyer TK, Blitzer, AB: Diagnosis and Treatment of Muscle Tension Dysphonia. Pan European Voice Conference (PEVOC-6). London, England. August 31 – September 2005.
5. Meyer TK: Professional Voice. Blitzer Society Spring Meeting. San Juan, Puerto Rico. March 2006.
6. Meyer TK: Update on Laryngopharyngeal Reflux. Blitzer Society Spring Meeting. San Juan, Puerto Rico. March 2006.
7. Meyer TK: Professional Voice: Case Discussion. Blitzer Society Spring Meeting. San Juan, Puerto Rico. March 2007.

8. Meyer TK: Transoral Laser Surgery for Early Laryngeal Cancer. 8th International Voicecon 2009. Deenanath Mangeshkar Hospital, Pune, India. November 2009.
9. Meyer TK: Muscle Tension Dysphonia, Diagnosis and Treatment. 8th International Voicecon 2009. Deenanath Mangeshkar Hospital, Pune, India. November 2009.
10. Meyer TK: Vocal Fold Injections: Why, what, where, when & how. ENT Masterclass. Macquarie University. Sydney, Australia. July 24, 2015.

(National)

1. Meyer TK: Neurolaryngology Cases. Moderator Andrew Blitzer. Sisson Otolaryngology Update 2006. Vail CO, February 2006.
2. Meyer TK: Pointers & Pitfalls in Managing Patients with Non Neoplastic Laryngeal Problems. Moderator Robert Ossoff. Sisson Otolaryngology Update 2007. Vail CO, February 2007.
3. Meyer TK: Movement and no Movement: cases in Neurolaryngology. Moderator Andrew Blitzer. Sisson Otolaryngology Update 2007. Vail CO, February 2007.
4. Meyer TK: Laryngopharyngeal Reflux: Real or Hoax? Moderator Michale Vaezi. Sisson Otolaryngology Update 2007. Vail CO, February 2007.
5. Meyer TK: Movement Disorders of the Larynx: What to do? Moderator Andrew Blitzer. Sisson Otolaryngology Update 2008. Vail CO, February 2008.
6. Meyer TK: Pointers and Pitfalls in Managing Patients with Non Neoplastic Laryngeal Disease II. Moderator Robert Ossoff. Sisson Otolaryngology Update 2008. Vail CO, February 2008.
7. Meyer TK, Vaezi M: LPR – Fact from Fiction. Instruction Course at the 2008 AAO-HNSF Annual Meeting & OTO EXPO in Chicago, IL. September 24, 2008.
8. Meyer TK: Movement Disorders of the Larynx. Moderator Andrew Blitzer. Sisson Otolaryngology Update 2009. Vail CO, February 2009.
9. Meyer TK: LPR – Fact from Fiction. Instruction Course at the 2009 AAO-HNSF Annual Meeting & OTO EXPO in San Diego, CA. October 5, 2009
10. Meyer TK: To move or not to move: the Laryngeal Question. Moderator Andrew Blitzer. Sisson Otolaryngology Update 2010. Vail CO, February 2010.
11. Meyer TK: Great Debates in Laryngology – Laryngopharyngeal Reflux. Moderator Peter Belafsky. American Broncho-Esophagological Association (COSM). Las Vegas, NV. April 28, 2010.
12. Meyer TK, Sumida YA: Do You See What I Hear? Washington Speech & Hearing Association Annual Meeting. Spokane, WA. Oct 8-9, 2010.
13. Meyer TK: To move or not to move: Always the Laryngeal Question. Moderator Andrew Blitzer. Sisson Otolaryngology Update 2011. Vail CO, February 2011.
14. Meyer TK: The Many Faces of HPV: Current Concepts in Laryngology. Moderator Michael Johns. American Laryngological Society (COSM). Chicago, IL. April 2011.

15. Meyer TK: Laryngeal EMG. The 7th Annual Blitzer Forum at the Yale Speech and Swallow Center. New Haven, CT, June 2011.
16. Meyer TK (Moderator) Burns J, Inglis A, Gunter J, Mendez E (Panelists) “Current Management of Adult HPV: From Papilloma to Cancer” (Mini-Seminar) AAO-HNSF 2011 Annual Meeting & OTO Expo. September 14, 2011, 8am – 920am. San Francisco, California.
17. Meyer TK, Sumida YA: How does Tracheotomy affect Swallow Function? Washington Speech & Hearing Association Annual Meeting. Wenatchee, WA. Oct 14, 2011.
18. Meyer TK: Neurolaryngology Cases. Moderator Andrew Blitzer. Sisson Otolaryngology Update 2012. Vail CO, February 2012.
19. Meyer TK: The Sore Throat. 23rd Annual Pacific Northwest Ambulatory Care Nursing Conference. University of Washington School of Nursing. Lynwood, WA. April 25, 2012.
20. Meyer TK: The Modern Impact of HPV Infection. The 8th Annual Blitzer Forum at Hackensack University Medical Center. Hackensack, New Jersey. April 28, 2012.
21. Sumida YA, Meyer TK: Do You See What I Hear? Washington Speech & Hearing Association Annual Meeting. Tacoma, WA. Oct 12, 2012.
22. Sumida YA, Meyer TK: Difficult Cases from a Multi-disciplinary Laryngology Clinic. Washington Speech & Hearing Association Annual Meeting. Tacoma, WA. Oct 12, 2012.
23. Meyer TK: Laryngopharyngeal Reflux – High cost and many controversies. Moderator Michael Vaezi. Sisson Otolaryngology Update 2013. Vail CO, February 2013.
24. Meyer TK: Should we do this in the office? An in depth look at office-based laryngeal procedures. Moderator Mark Courey. Sisson Otolaryngology Update 2013. Vail CO, February 2013.
25. Meyer TK: Tracheal Engineering. Dysphagia Research Society. Seattle, WA. March 13-16, 2013
26. Meyer TK: Difficult Voice Cases – a comparison of styles. Moderator Gaylin Garrett. Fellows Day at Fall Voice Conference. San Antonio, TX. October 2014.
27. Meyer TK (moderator), Young G, Andrus J (panelists). Laryngeal Potpourri – from Airways to Zenker’s. Northwest Academy of Otolaryngology 2015 Winter Conference. Whistler, BC. Jan 16-19, 2015.
28. Meyer TK: OR vs. In-office Management. Moderator Clark Rosen. Sisson Otolaryngology Update 2015. Vail CO, February 2015.
29. Meyer TK: Perioperative Management of Laryngeal Pathology. Moderator Mark Courey. Sisson Otolaryngology Update 2015. Vail CO, February 2015.
30. Meyer TK: Mentorship in the ALA. Breakfast Symposium for Post Graduate American Laryngological Association at COSM. Boston, MA. April 2015.

31. Song P, Meyer TK: Stroboscopy. Instruction Course at the 2015 AAO-HNSF Annual Meeting & OTO EXPO in Dallas, TX. September 27, 2015.
32. Sardesai M, Meyer TK: How to teach patient and staff about tracheotomy care. Instruction Course at the 2016 AAO-HNSF Annual Meeting & OTO EXPO in San Diego, CA. Sept 20, 2016.

(Local)

1. Meyer TK: Rehabilitation of the Lower Face after Facial Nerve Paralysis. Otolaryngology Grand Rounds, Medical College of Wisconsin. Milwaukee, WI. October 2000.
2. Meyer TK, Campbell B: Tobacco Perceptions among Head and Neck Cancer Survivors. Wisconsin Society of Otolaryngology-Head and Neck Surgery. Elkhart Lake, WI. October 2000.
3. Meyer TK: EMG in the Analysis of Unilateral Vocal Cord Paralysis. Otolaryngology Grand Rounds, Medical College of Wisconsin. Milwaukee, WI. February 2001
4. Meyer TK: Interpretation of Vestibular Testing. Otolaryngology Grand Rounds, Medical College of Wisconsin. Milwaukee, WI. March 2002.
5. Meyer TK: Thyroid Disease for the Surgeon. Otolaryngology Grand Rounds, Medical College of Wisconsin. Milwaukee, WI. December 2002.
6. Meyer TK, Woodson T: Posterior Tongue Grooving: A New Entity and its Role in Obstructive Sleep Apnea. Wisconsin Society of Otolaryngology-Head and Neck Surgery. Lake Geneva, WI. October 2003.
7. Meyer TK: Otolaryngology for Speech Pathologists. Invited by Lorraine Ramig, Master's Class Vocology. New York Teacher's College. New York, NY. June 7, 2005.
8. Meyer TK: The Evaluation of Vocal Fold Paralysis. Maryland Society of Otolaryngology. Baltimore, MD. December 13, 2005.
9. Meyer TK: The Evaluation of Vocal Fold Paralysis, Holy Cross Hospital Otolaryngology Grand Rounds. Silver Spring, MD. January 20, 2006.
10. Meyer TK: Professional Voice: the Art and Science. University of Maryland Outreach Lecture, Baltimore, MD March 28, 2006.
11. Meyer TK: Update on Recurrent Respiratory Papillomatosis, University of Maryland Grand Rounds, Baltimore. MD. May 1, 2006.
12. Meyer TK: Anatomy and Physiology of the Vocal Mechanism, Towson University Vocology Masters Class. Towson. MD. October 19, 2006.
13. Meyer TK: Common Medical Disorders of Singers, Towson University Vocology Masters Class. Towson, MD. November 8, 2006.
14. Meyer TK: Airway – Breath of the Matter. Perioperative Nursing Conference. University of Maryland Medical Center. Baltimore, MD. October 2008.

15. Meyer TK: Airway Considerations – an ENT Perspective. Anesthesia Grand Rounds. St. Joseph's Hospital. Baltimore, MD. November 2008.
16. Meyer TK: Airway Stenosis: Bench to Bedside. University of Washington Grand Rounds. Seattle, WA. January 2009.
17. Meyer TK: Complications of Intubation. Holy Cross Hospital Otolaryngology Grand Rounds. Silver Spring, MD. May 16, 2009.
33. Meyer TK: Posterior Glottic Stenosis. University of Washington Alumni Day. Seattle, WA. June 2009.
34. Meyer TK: Laser Surgery for Airway Lesions. Northwest Academy of Otolaryngology. Seattle, WA. January 9, 2010.
35. Misono S, Meyer TK, Merati AL. Treatment of early glottic cancer--surgery vs. radiation: making the case. Northwest Academy of Otolaryngology. Seattle, WA. January 9, 2010.
18. Bentov I and Meyer TK: Airway Considerations – an ENT Perspective. Harborview Peri-Operative Grand Rounds. Harborview Medical Center. Seattle, WA. June 30, 2010.
19. Meyer TK: The Professional Voice. World Voice Day Celebration. Harborview Medical Center. Seattle, WA. April 16, 2010.
20. Meyer TK: Hoarseness and Dysphagia for Primary Care. Family Medicine Teaching Rounds. University of Washington. Seattle, WA. July 14, 2010.
21. Meyer TK: Chronic Cough. Otolaryngology Update for Primary Care. University of Washington, School of Medicine. Department of Otolaryngology-Head and Neck Surgery. Seattle, WA. October 9, 2010.
22. Meyer TK: The Disordered Singing Voice. World Voice Day Celebration. Harborview Medical Center. Seattle, WA. April 16, 2011.
23. Sumida YA and Meyer TK: Voice and Swallowing Disorders in Parkinsonism. Northwest Parkinson's Foundation. Virginia Mason Medical Center, Seattle WA. June 13, 2011
24. Sumida YA and Meyer TK: Evaluation of Voice and Swallowing Disorders. Community Internship Program. Harborview Medical Center. Seattle WA. October 28, 2011.
25. Meyer TK: Neurolaryngology – clinical correlates. Neurology Grand Rounds. University of Washington School of Medicine. Seattle WA. December 1, 2011.
26. Meyer TK and Dennis J: Tracheal Engineering with Clinical Correlations. Comparative Medicine Grand Rounds. University of Washington School of Medicine. Seattle WA. January 5, 2012
27. Meyer TK and Shepp S. Complications of intubation: Pictorial representation and literature review. Founding meeting of Dysphagia Interest Group – DIG. Seattle, WA. July 17, 2012.
28. Meyer TK. Tracheal esophageal prosthesis (TEP) and other considerations for care of laryngectomy patients. Teaching seminar Respiratory Therapy. University of Washington. Seattle, WA. November 2, 2012.

29. Meyer TK. Surgical approaches to laryngeal cancer. Radiation Oncology Resident Teaching Lecture. University of Washington. Seattle, WA. November 15, 2012.
30. Meyer TK (moderator). Dysphagia Case Panel. Washington Speech Language Hearing Association (WSLHA). Everett, WA. October 12, 2013.
31. Meyer TK. Tracheal Engineering. BenaRoya Institute Work In Progress Seminars. BenaRoya Research Institute. Seattle, WA. December 5, 2013.

Instructional Courses, Director

1. Blitzer Society Inaugural Meeting (1st). LPR – Alternative Proposal. New York, NY. November 18, 2004.
2. The 2nd Annual Blitzer Society Spring Meeting. Laryngology Update. San Juan, Puerto Rico. March 11, 2006.
3. The 3rd Annual Blitzer Society Spring Meeting. Laryngology Update – Vocal Fold Paralysis. San Juan, Puerto Rico. March 16-17, 2007 Guest: Steven Zeitels.
4. The 4th Annual Blitzer Society Spring Meeting. Laser and Office Based Surgery. New York, NY. March 20-21, 2008. Guest: Paul Castellanos.
5. Resident Laser Surgery Course. University of Maryland, School of Medicine, Department Otolaryngology. November 14, 2008.
6. The 5th Annual Blitzer Society Annual Meeting. Transoral Laser Surgery of the Laryngopharynx, with laser cadaver lab. Baltimore, MD. May 9, 2009. Guest: James Burns.
7. Resident Sinus Surgery Cadaver Lab and Lecture Series. University of Maryland, School of Medicine, Department Otolaryngology. May 10, 2009.
8. The 6th Annual Blitzer Society Forum. Dysphagia Update with TNE lab. New York, NY. April 3, 2010. Guests: Peter Belafsky and Jonathan Aviv.
9. Otolaryngology Update for Primary Care. University of Washington, School of Medicine, Department of Otolaryngology-Head and Neck Surgery. Seattle, WA. October 9, 2010.
10. Resident Calf Laryngeal Surgery Lab and Lecture. University of Washington, School of Medicine. Department of Otolaryngology. Dec 15, 2010.
11. World Voice Day Celebration. Harborview Medical Center, University of Washington School of Medicine. Guest speaker Speight Jenkins, General Director of the Seattle Opera. April 18, 2011.
12. Resident Laser Surgery Course. University of Washington, School of Medicine, Department Otolaryngology. November 28, 2012.
13. Dysphagia Symposium: from Airways to Zenker's. Washington Speech Language Hearing Association (WSLHA). Everett, WA. October 12, 2013.
14. Resident Laser Surgery Course. University of Washington, School of Medicine, Department Otolaryngology. November 26, 2014.

Instructional Courses, Faculty

1. Foreign Body and Pediatric Airway Endoscopy Course. Children's Hospital of Philadelphia. January 2008.
2. Foreign Body and Pediatric Airway Endoscopy Course. Children's Hospital of Philadelphia. January 30-01, 2009.
3. Cadaver Dissection Lab – Medialization Thyroplasty. 8th International Voicecon 2009. Deenanath Mangeshkar Hospital. Pune, India. November 2009.
4. Northwest airway course. University of Washington. May 7, 2016
